

California Supply Chain Act Disclosure Verification

Cinch IoT Inc. ("Cinch") does not engage in verification of product supply chains to evaluate and address risks of slavery and human trafficking.

Supplier Audits

Cinch IoT does not conduct audits of suppliers to evaluate supplier compliance with our standards for slavery and trafficking in supply chains.

Certification

Cinch does not require direct suppliers to certify that they comply with antislavery and human trafficking laws in the country or countries in which they do business.

Internal Accountability

Cinch does not maintain internal accountability standards and procedures for employees or contractors failing to meet our standards regarding slavery and human trafficking.

Training

Cinch does not provide employee training on slavery or human trafficking.
